

Genome Integrity Webinar Series

A Virtual Forum for the GiiN Community

ORGANIZED BY

Genome integrity italian Network

Connect every second Tuesday of the month at 5PM CEST for a 1-hour virtual meeting to hear from national and international scientists about the latest, cutting-edge research in the field of genome stability.

A copy of the virtual program and instructions to connect to our webinars are provided below. For more information, to volunteer for our network or to be added to our mailing list, contact us at GenomeIntegrityItaly@gmail.com

GiiN Founders & Co-organizers:
